

Standards of Care For Cats

Kittens/Cats

- **Deworming**- Start at 4 weeks and continue at 6 and 8 weeks then monthly until 6 months. After 6 months then biannually.
- Fecal once a year-indoor/outdoor.
- **Flea and Tick**- Revolution or Frontline Plus April 1st through October 31st.
- **Vaccinations**- Core Vaccines:
 1. Panleuk (Felocell 3)
 2. Calici (Felocell 3)
 3. Rhino (Felocell 3)
 4. Leukemia (Merial)
 5. Rabies (ImRab 3)
 - **Felv/Fiv testing prior to vaccination.**
 - Felocell 3 and Leukemia 2 doses initially.
 - Kittens – start at 6 weeks then repeat vaccine at 9 weeks and 12 weeks.
 - If started at 8 weeks then revaccinate at 12 weeks and 1 year

1st year-Rabies (Right Rear) Felocell 3 (Neck), Leukemia (Left Rear)

2nd year- Leukemia, then every 3 years

3rd year- Felocell 3, then every 3 year

4th year- Rabies then every 3 years

- (If there is a reaction to a vaccine the that vaccines will be discontinued and titers ran.)
